

# YWCA IS ON A MISSION

08/27/2020

Dear YWonderful Kids Families,

YWCA Lancaster continues to focus on the health and safety of all members of our community. As a result, we are following the guidance of the Commonwealth of Pennsylvania regarding out of state travel. Effective immediately the following is being added to our YWCA COVID-19 policy for all childcare programs:

If you and your child choose to travel to any state where there are high amounts of COVID-19 cases a quarantine is recommended by the State of Pennsylvania. The quarantine is 14 days. The list of states that are restricted can be found here, as well as additional travel recommendations: <https://www.health.pa.gov/topics/disease/coronavirus/Pages/Travelers.aspx> . The list does change, so please refer to it before any travel. Keep in mind, travel increases your chance of getting and spreading COVID-19. Staying home is the best way to protect yourself and others from COVID-19. This is the same policy we expect our staff to follow to keep you and your family safe.

For instance, if you and your family plan a weeklong trip to Florida, you will need to plan to quarantine for 14 days once you return to Pennsylvania. These steps are being taken to keep everyone safe and healthy.

Thank you in advance for your cooperation.
